ART HOLIDAYS

LE MOULIN DE CHAZOTTE, CHERVES-RICHEMONT, 16370 CHARENTE, FRANCE

CREATE THE ADVENTURE

11TH - 18TH MAY 2019 • 21ST - 28TH SEPTEMBER 2019

Experience DAYS

These are based upon my established beginners oil painting experience days in the UK and take place at Le Moulin de Chazotte. In the peace and seclusion of a large open barn with vistas across the fields.

There will be a total of three workshops during the holiday from 9.30am until 4pm, all food, refreshments and materials will be provided. For any non-painters we have a selection of local guided cultural and history excursions, which sequence perfectly with the workshops, ensuring everybody has lunch together.

Dining is at 6pm either together as a group, or in the comfort of your Gite, the choice is yours. You will then be free to enjoy your evening as you wish.

Adventure DAYS

At the heart of the art holidays are the adventure days to carefully selected locations – typically these will include;

- La Rochelle – visiting the superb covered market, ambling around the old port and the admiring the world famous three towers in the La Ville Blanche (The White City).
- Marais Poitevin (Green Venice) – a boat trip along the stunning canals of this picturesque and relaxing location.

You will get a real flavour of the 'joie de vivre' with these fabulous locations, soaking up the atmosphere and blending with a gentler way of life. Uniquely you will determine the image that you paint in the next workshop from your memories of the day or we have a selection for you to choose. This includes travel from Le Moulin de Chazotte to each of the destinations.

The full details of the exact adventure days available will vary for each holiday, full details are available upon request.
